Fodor's Los Cabos: With Todos Santos, La Paz & Valle De Guadalupe (Full-color Travel Guide)

Synopsis

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. The crowds keep coming to Los Cabos as much to relax on its beaches and in its spas as to golf on its courses and sail or fish its waters. Well-rounded Los Cabos has more to offer than the average beach resort, including regional wines, a happening arts scene, a wide range of lodging options (from luxury to all-inclusive), and both desert and ocean adventures. This travel guide includes:

- Dozens of full-color maps
- Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks
- Multiple itineraries to explore the top attractions and what's off the beaten path
- In-depth breakout features on surfing, sportfishing, and whale-watching
- Major sights such as Puerto Nuevo, Land's End, Parque Nacional Marino Cabo Pulmo, Valle de Guadalupe, Malecon, and Boulevard Mijeres San Jose del Cabo
- Side Trips from Los Cabos with Todos Santos and La Paz

Our books make it possible for every trip to be a trip of a lifetime.

I am currently in Cabo and lost because of this book. The maps are almost useless, and nothing is where this book says it is. The tips are OK for the most part, but I can't give more than 2 stars because of all the extra walking I've had to do searching for places that are blocks away from where this book says they are. The book is also poorly laid out in comparison to the Moon series books I've used in the past. I bought this one for Cabo because it was the most recently published guide available (2015), but there are places listed in here that don't exist anymore.

Good book, but does need an update. Some of the locations listed were no longer in existence.

I love all the fodors I have bought in the past but thought that whoever had written this one most likely had never been to cabo

Fodor's never fails me!! Loved it!!! So glad I took it with me!!!

Needs an editor's review. There are places where the paragraph abruptly ends and places missing information. Also, some of the recommendations seems to be from a first-timer's visit to Los Cabos. Needs an update from a native.

Great book. Has all the info you need to plan a great trip. We went to many of the places listed in the book. Fodor's never disappoints, especially in the - Where to Eat section.

Good overview of the area. Could be better with internet based follow up as the details are probably 2-3 years old at this point. With a Kindle version it's a shame it can't be updated regularly. Spanish

language section was great for a refresher course.

Very helpful when selecting restaurants and sightseeing companies.
