I love this book for my boys. My youngest is too young to really pay attention, but my eldest loves it. He likes to learn about the fruits of the Spirit and then tells me how he's trying to practice them over the next few days, every time we read this. I also got the companion book "A Little Girl After God's Own Heart" for my daughter.

This little book is a treasure. Every lesson for life inserted into fun stories. It captures the missing conversations of our busy world. These conversations are needed with every child and using this small book instills life long habits and thoughts that can only benefit everyone. Not only does it make it fun to read out loud to children, each lesson causes adults children to sigh with delight. Every family should have this book.

This book is simply written and will be a book to keep and hand down to the next generations of children

I purchased this book for my 7yr old son's birthday. I really hope he enjoys it. I looked through it and I really think Jim and Elizabeth have done a great job at explaining bible fundamentals to children. In a way they can apply it themselves as they grow into the men and women of God they are.

This book is wonderful! I love the poems that teach what godly traits look like, they are good reminders for us as parents and great teaching tools for our children. My boy loves the trains and the pictures draw them into the book. Thanks to Jim and Elizabeth George for a book well written, and to Judy for the great pictures. The counterpart for girls is the reason we got this book for our boy. Both my children love their books.

Everything as expected.

I bought this book for my sons. We read one a page from this book daily. This book is well written and has excellent illustrations and is worded so that even younger children understand the lessons from the bible.

A wonderful book for our sons. Our two boys ages 6 and 4 enjoy this book and understand the concept behind it. This book makes it easier to introduce and reinforce our Christian beliefs.
