Our 4.5 year old checked this out from the library and loved it so much we bought it!

Love love love this book.

Was a bit disappointed, the story is not too good compared to Zacs Alligator book that was a bit with our children

We read it last night. My son thought it was a funny story.

My son enjoys reading and liked the idea of following a favorite character through other stories, I believe Zak's Alligator has three books? Very fun, if my kid likes it its okay by me.

Book 2 is just as well received as Book 1. Kids really like it!!

very cute story. I wish there were more books in this series.

Kids love it .
