The Ultimate GRE® Vocabulary Guide (2017)

Synopsis

Wasting precious life minutes in futile attempts to memorize thousands of GRE words? Luckily, Essay Girls has taken care of the dirty work for you. First, we have categorized the top-2500 GRE words according to their definitions. This way, you can memorize words in groups rather than randomly memorizing thousands of unconnected words. For example, the verb *enervate* means *to reduce in strength*. When studying for the exam, you will notice that around fifteen other must-know GRE words have the same meaning as *enervate*. These are: dampen, deaden, debilitate, desiccate, devitalize, dehydrate, enfeeble, exhaust, fatigue, geld, incapacitate, jade, sap, unnerve, vitiate, weaken, weary. By studying these words in groups, your brain will remember which words belong together and share meaning. Second, we include amusing sample sentences for each of the top-200 GRE words. Sentences include references to pop culture, romance, breakups, and are infused with dark humor. Lastly, we provide you with each of the top-200 GRE words in its varying forms: noun, adjective, adverb, and verb. This way, you won't be surprised when you come across a word in a form you didn't know existed, and you won't sound foolish trying to come up with your own nouns! We are confident that by studying words in groups, by seeing them in fun context, and by learning their various forms, you will not only have a much easier time with memorization, but you will be able to make use of these words in real life.

Customer Reviews

I am finding this very helpful! And obviously it is worth the price. I like how it is an alphabetized dictionary, unlike most others I am seeing, and I really like how I found this Kindle book. I was asking for a good dictionary for the GRE, and here it is!

For 99 cents this is a nice vocab list i can study on my kindle when im not online (and thus can't use Magoosh)

I enjoyed it very much. An excellent and very thorough review. A very useful tool for those preparing for the exam.
