Customer Reviews

This is an easy-to-follow, step by step guide to drawing Pokemon characters. My eight year old son loves this book. He says it makes it easy to draw his favorite Pokemon characters. The book is sturdy, has clean pages, and is ideal for a typical how to draw book. My son found one error on character 6, the name of this character was mislabeled but all others were good. This did not diminish his love for this book. He loves the challenge of drawing all 47 characters. Overall this is a great art book and worth the cost. If your child loves Pokemon, get this!! I received a copy of this book free of charge from the publisher for the purpose of an honest review.
