Synopsis

Using everyday items found in most homes, aspiring young magicians can dazzle friends and family with this best-selling kid's guide to performing magic tricks. With the help of this book, young magicians can magically make things appear and disappear, make rubber bands seem to go through fingers, and make ghostly names appear on water tumblers. There are eight fun categories of magic ranging from All Wet to Amazingly Mysterious. Of course, there's Pick-A-Card--Any Card! Each activity includes step- by- step directions complete with hundreds of delightful illustrations. Good book for a beginner. My granddaughter is 8 and reads very well, but she still needs someone to help her with the tricks. There are some good tricks in the book that she amazed her family with.

Our grandson is just learning magic tricks and this book is easy for him to learn. He just turned 6 years old.

My 7 year granddaughter wanted a magic book and this has been just about right...She can read it and actually do some of 'em w/o adult guidance.

My granddaughter loved this book. She is 7 years old. The book is easy to understand with simple language and illustrations. Great gift!

I brought this book for my 8 yr old son. I brought the book used since most children only read the book 2-3 times before moving to another gig. The book was in GREAT CONDITION. My son loves it and now performs magic tricks at birthday parties.

It's ok

even though it said it was easy to follow, the boy I gave it to, thought it was hard and therefore didn't enjoy it to the extent I wanted him to!

We bought this for our 8 year old, and she enjoyed the book, and learned some good magic illusions, using ordinary household items.
