Customer Reviews

Love these books and the pics are really cool, but I gotta say...unless you are referring to more than one different type of ore...the plural of ore is ore...not ores. ;/ And a contraction every once in a while wouldn't hurt either. But these books are so entertaining, and your artwork is awesome. We really do love this series...now off to read number 8!

I REALLY liked it. Really good cliff Hager. My favorite books (in a series) . 5 star Author, 5 star...

It is really a good book don't get me wrong, but this book was a little bit sort to me.

Great books I had so much fun reading it and wish there were more books of this! I love minecraft!!!!

Woohoo! Another book by Steve the Noob. I have to catch up with all the Steve the Noob books I read.Great book Steve. I can't believe your about to have a fight...in a mine. That's what makes it great. Keep up the good work Steve!-RÃ¢ÂˆÂˆ Âˆ-&G@N

This book is epic. I like how Steve turned To a pro not a noob. This this has never gotten better. Which to say.... SHAME TO THE PEOPLE WHO THINK STUPID LIKE OH NO THIS BOOK IS EXPENSIVE AND BAD. See that haters? Get off my face. Now the real review. This book is so short but long in the author's heart. This thing should be long. I mean, it's okay, but in Minecraft story mode, it's not like this book (prepare for battle) but Minecraft story mode (Fight immediately) So please make it longer please. Ãˆ Âˆ Âˆ†Âˆ™ So the author could change his books title to, STEVE THE PRO! The skeleton king should die. I mean Steve hits it on the legs a lot till it breaks using AoE attack. Then Steve chops the skeleton head off. That is a good technique.That is the proper way to fight A skeleton boss. Here's my AoE attacks, End Of the World. End of the world is (Use rival rebels mod for this.) a Tsar Bomba or nuke storm. I put A lot of Tsar Bombas on the jump blocks and hit them with my plasma canon making Tsar bomba rain. But that is an extreme AoE attack. My AoE attack is like Steve but with projectiles. I spin around while shooting with an Einstein gun.-Teslageek1.7.10 Rival Rebels mod downloaded in the blogspot

I really enjoyed this book just send out another one thats like 5 pages long please! Im just kidding anyway you write so fast compared to other writers, keep up the great work! Thanks for making enjoyable books for me and everybody else that sent out a review. I started reading this book at 12:00 (night) and I had fun and read to 1 o clock. keep on writing new books. You might be able to

make another series if you keep doing what your doing. I rate this book a full 5 stars because of the ending and the action. There was always action in the book. never a break but it was good and fun. im 10 years old and my name is Dante

I enjoyed this, like always.Srsly doe, CLIFF HANGRER!!!! mean you're just cruel, dude. Can you imagine sitting there for DAYS in a fighting position, just waiting the ENTIRE TIME IT TAKES TO WRITE A BOOK for the dude to say go?Steve did dat.Yey, amazin, keep writing! =D
