Kinuko Y. Craft is an artist I'm familiar with because she does most of the covers for Patricia A. McKillip, a fabulous fantasy writer. It's a joy to have her work enlarged to calendar-size, and the days are large enough for you to make notes of appointments, etc. Love it!

My favorite yearly calendar. The pictures are gorgeous, and I love the connection with ancient literature and mythology.

Beautiful calendar! It's already on my wall and I've started putting it to its unfortunate use. (keeping track of my dog's heartworm and flea preventatives) I've received a few compliments on it.

I absolutely love this calendar. It's simply stunning. The amount of intricate, flawless, well-thought-out work placed onto each & every picture can be easily seen throughout the calendar. Much love & pride went into these designs, and it shows. Most people who walk into my office love to look at it. One person even asked me where I purchased it. She said she loves the way the picture simply captures her attention. :)

You can't go wrong with Kinuko Y. Craft. All of her work is exceptional and this calendar is gorgeous!
