ISBN-13: 978-0937458099

Product Dimensions: 0.2 x 6 x 8 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 32 customer reviews

Best Sellers Rank: #92,391 in Books (See Top 100 in Books) #39 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #20186 in [Books > Children's Books](#)

Customer Reviews

I really like all of these H.E. Harris coin folders. I've bought most of them and will eventually have them all filled up. I like the sturdier covers these offer over other brands. They do exactly what I need them to do and look nice while doing it.

Nice folder. It has places for Monticello Reverse, 1996 to 2015 (P&D), and 21 blank ones.

I'm looking for top quality at a fair price. This is mediocre quality, cardboard and paper, fine for the novice.

Works as described

The other HE Harris Folders I have purchased work great. However, this one for the nickels starting in 1996 had bad cuts, so squeezing the nickels into the cutouts was quite difficult. I needed to use a screwdriver to get the coins in (ultimately deforming the cutout holes). The penny folders were much better.

This folder looks great! It's a little tough to get the coins in the holes, you have to give quite a bit of effort. Not the most sturdy, but as long as you aren't too rough with it it should hold up fine. Gets the job done

I can't say enough about the H. E. Harris coin books. Our family has had so much fun collecting and filling them up. They have provided a great activity that allows us to teach our kids how to count and search for different markings on the coins. Once we fill them up I will buy more so we can start all over again.

good..
