This is a book for daily reading as the entries are short quotes to start or end the day with. They come from a wide variety of authors and I have enjoyed reading them each day as a part of my morning "quiet time."

Great! The large print makes it better for persons with vision problems.

Purchased for a group gift exchange of a mensa group and it was a smashing hit. Coolest gift given for the occasion. Recipient could not stop reading from the contents throughout the evening. Loved it.
