Good map for those who know their way around the country - brings back a lot of those memories that are jogged by names, places and dates. The Vietnam part of the map could be a bit larger - the map covers the entire Southeast Asia theatre. For those stationed in IV Corps, a larger insert map of Saigon is included. Good value - well laminated and sturdy.

Used it for a School Presentation, and the kids love it, well made and the fact that I could use washable markers on it made it ideal!

This map, unlike the current maps of VN today, showed where we served, fought, and included some of our operations Fits nicely in my 'WAR ROOM'.

excellent map. compares to more expensive maps of vietnam that i have seen at a loss less money. try it.

Very nice jsut what I wa looking for and the legend has a ton of stats and info.

Was great better than I expected.

I was there and this Vietnam Conflict War Poster Map is a good reminder of the facts. It is very good, but not perfect.

Easy to read, straight forward map, great for use in my classroom.
