Synopsis

Renowned for clear, accurate and easy-to-read mapping, the Barcelona street map helps locals and travelers alike navigate across town, explore different neighborhoods and find their chosen destination, whether on foot or by car. Valuable on-site information is included from tourist sights and parks, to one-way streets, parking and public transportation. The extensive street and place-name index provides fast look-up. Michelin's signature map-fold pattern makes it easy to fold back the map to the desired area for easy consulting, and to refold it neatly when finished it reads like a book. For effective Barcelona trip planning in advance and for accurate reference while on-site, turn to Michelin maps.

Customer Reviews

Map was very detailed.

This map was okay, but not useful while actually in Barcelona. Too cumbersome to use while walking around. I was okay for home/hotel use.

Excellent map and prompt delivery. Thank you.

Very useful!!!

The scale on the map is too large (12,000:1) which makes the print too small to read. One insert is

printed at 7,000:1 which is easy to read. They could have printed the map two-sided at 7,000:1 and had a good map. As it is, find another map.
