Frommer's Nova Scotia, New Brunswick & Prince Edward Island (Frommer's Complete Guides)

Synopsis

You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go -- they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Frommer's Nova Scotia, New Brunswick & Prince Edward Island is the premier guide to the Atlantic Provinces, with complete coverage of the title destinations as well as Newfoundland and Labrador. You'll get the inside scoop on the best hotels, restaurants, shopping, and nightlife, as well as the author's picks for the best travel experiences, including: sea kayaking nova scotia; biking the cabot trail; hiking Gros Morne National Park; driving along the Viking Trail in Newfoundland; walking through Annapolis Royal in Nova Scotia; feasting on fresh lobster and Digby scallops; and more.

Customer Reviews

Experience a place the way the locals do. Enjoy the best it has to offer. And avoid tourist traps. At Frommer's, we use 150 outspoken travel experts around the world to help you make the right choices. Frommer's. Your guide to a world of travel experience. Choose the Only Guide That Gives You: Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan

the perfect trip no matter what your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. The best hotels and restaurants in every price range, with candid reviews.

Expert authors: Each Frommer guide is personally researched and thoroughly updated by a single author or a small team-unlike Fodor's, which compiles their guides on an assembly line. Our approach gives our guides a fun, personal tone and a real person's judgments you can trust. Wayne Curtis is a freelance writer whose articles have appeared in the New York Times, House Beautiful, Aqua, Yankee, and on Discovery Channel Online. He is the author of Frommer's Vermont, New Hampshire & Maine and co-author of Frommer's Canada and Frommer's New England. He lives most of the year in eastern Maine, but spends the summer months exploring the back roads of New England and Atlantic Canada.

Based on past reviews, I purchased this guide for an upcoming trip to Nova Scotia and PEI. Reading it has been utterly frustrating. Complaint #1: the maps are AWFUL. The text will mention a park or city or scenic drive, and it is NOT EVEN MARKED ON THE MAP. This makes the guide completely useless for planning a trip. Complaint #2: there is a severe shortage of affordable "where to stay" options; I found most listings seem similar in their style and price range (quaint inn/B&B, ~\$120). Complaint #3: the writing is extremely dry. I'm not quite sure where the previous reviewer found humor in this guide. Bottom line - I will HAVE to purchase another guide. Another reviewer stated that this guide needs to be complemented with another; I would suggest that this guide has nothing unique to offer and skip it altogether and go with Fodor's instead.

I am planning my first trip to Nova Scotia for October 2002 and have been haunting the book stores in Boston for good guides. Near the end of my book search, I came across the 2002 (4th) edition of the Frommer's guide and it has been a regular companion for me as I plan the details of my trip. Let me make a few things clear here. Like the other Frommer's edition for this same place (2000), this guide also has NO good maps. And there are still NO nice sidebars filled with local tidbits. And there aren't a lot of website or email addresses either. But then again, this is NOT that type of book. This Frommer's guide is the nitty-gritty, the essence of what you would want to know for each of the major areas in Nova Scotia, New Brunswick, and Prince Edward Island. The guide does a good job of giving you information on at least a few places to stay (if there are any in that area), places to eat, tours, and any major landmarks or places to visit in a number of cities and towns, even the smaller

ones. And the price range is mostly for the budget to mid-range values. The book is also a smaller size, allowing for you to easily carry it around or stash it when you travel. The format is easy to read, and the layout is clean and uncluttered. To get over the drawbacks I mentioned above, I suggest augmenting the Frommer's with the official Nova Scotia travel guide (a behemoth, comprehensive thing) that has great photos, maps, and the like; request it for free from the tourism office. There are also some other good guidebooks on the market that will fill in some of the (small) gaps of the Frommer's. And anyone with access to the Internet can easily do web searches for websites that have tons of info on Nova Scotia, including the official Nova Scotia website. Give it a try. At the very least, if you get it and don't like it, you can return it. I look forward to making my trip and then verifying the info I've gotten from the Frommer's guidebook.

This is your standard Frommer's guide, good for hotels and restaurants but short on local color. We found the reviews accurate and the information up-to-date. But to figure out where you'll really want to go and what you'd be interested in, this book won't help you much. We used the guide to the Maritime Provinces from the "Off the Beaten Path" series, which is totally different from the Frommer's--long on local color and history, but very little information on places to stay and eat. But these two guides together, plus the free information you can get from the Nova Scotia Tourism website, are all you'll need.

This guide was fun! The only things we knew about Nova Scotia we found in government tourist guides which were not always clear or easy to use. But Frommer's came through and gave us inside information and ideas about what authentically interesting things we should look for. The best thing, though, was the entertaining comments here and there. I found myself chuckling and then reading them aloud to my partner as we drove through the countryside. It was a good companion for our trip.
