About DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.

The book is very simplistic (granted, it is very small). It tries to compile tens of list of the ten best (restaurants in the north, beaches in the south, hotels here an there) and it spreads itself very thin. It is suitable for the most casual of travelers that like to go by lists. There is no appreciation for the immense diversity of the island. Having been born there, although living in the USA, and visiting frequently, can tell you that its usefulness is rather limited (bought the book for a companion). Not at the level of the DK books. You would be better off with their complete guide DK Eyewitness Travel Guide: Mallorca, Menorca & Ibiza [Paperback), although much heavier lo take around.

Great book for the \$. Small, but crammed with info

I have traveled to over 3 dozen countries both in the military and now after my 20 years in the Navy. Every port we visited was enhanced by this book series. My wife loves them now as we visit more places. Fits well in your pocket, has realistic agendas, and great maps. I personally used this city book on vacation and give it 5 stars.

WONDERFUL book!!! So much to see and do and laid out so well. Thanks so much!!!

Very helpful in the planning process....great photos too

Lots oh helpful tips. Love the pictures. Visiting soon will update and see how accurate it is

I am enjoying my trip planning!

It for sure has all the highlights you need to see for traveling to Spain and to see and explore Mallorca. For sure one f my favorite islands in Spain. Iz comes with a very detailed map, which might come in handy, when you rent a car, bike o get around.
