THEODOR SEUSS GEISEL aka Dr. Seuss is one of the most beloved children's book authors of all time. From *The Cat in the Hat* to *Oh, the Places You'll Go!*, his iconic characters, stories, and art style have been a lasting influence on

generations of children and adults. The books he wrote and illustrated under the name Dr. Seuss (and others that he wrote but did not illustrate, including some under the pseudonyms Theo. LeSieg and Rosetta Stone) have been translated into thirty languages. Hundreds of millions of copies have found their way into homes and hearts around the world. Dr. Seuss's long list of awards includes Caldecott Honors for *McElligot's Pool*, *If I Ran the Zoo*, and *Bartholomew and the Oobleck*, the Pulitzer Prize, and eight honorary doctorates. Works based on his original stories have won three Oscars, three Emmys, three Grammys, and a Peabody. From the Hardcover edition.

My granddaughter age 2 1/2, enjoyed this book. The way it folds out and, the interactive flaps kept her amused. She enjoyed the story and the illustrations

old time favorite

Love the simplicity and the book! Matched the theme of my grandson's first birthday, too.

cute book

Its a Book

My son loves this little book. He loves to pull up the tabs and peak under. The book is nice thick cardboard but the tabs are thinner. So after a little use my 1yr old will undoubtedly tear the tabs off. But until that happens it keeps him occupied during feedings.

Cute book.

FLAP BOOKS! Our 1-Year old LOVES any flap book in the world - but this one is awesome for parent. It's what you'd expect. Cleverly written, funny, and the complete fold out is great because she can spread it out, lay or sit on the floor, and explore the entire Circus McGurkus Train!
