This should be a must have book for people who take their relationship with Jesus Christ seriously. Another author commented in a review that this book is a "guide to holiness, and

encouragement to faith, and a challenge to further pursue the Word of God for practical help in your daily Christian walk. ...It is basically intended for serious study and reference for prayer needs, as well as tabulations for scripture referral."It is LOADED with scripture verses for a multitude of purposes. I can't even begin to describe how wonderful this book is.I wore out the first copy I'd bought many, many years ago. This time I had a local office supply store laminate the covers and change the binding to spiral bound - totally worth the few extra dollars.

Gosh I love this book.It's a must for every Bible believing Christian.I know many scriptures off by heart, but this has increased my knowledge in understanding certain scriptures for specific healing needs.Gods Word tells us, that we defeat the devil by using Gods word when in need.Jesus himself did this when tempted by satan in His forty days in the wilderness.In his every response to admonish satan, He always began with, "It is written."June Newman Davis emphasises on the importance of doing this and quoting scripture in her book.Do you want to know what scriptures to use for? Anger, Death, Deliverance, Prosperity, Weight Control....and against many specific illnesses, like cancer etc. There is so much in this book. I have bought many and given away many, over the years. I wouldn't be without it!!

Wish I had known this was originally \$10.00. It's out of print now so I realize it may cost more as its hard to find copies. At any rate it's a great compilation and quick reference for scriptures to hold on to for many different needs. Some good clear instructions too. I'm glad to have it.

I like how it is set up. I look forward to the blessing I know it will be for me.

I loved the way this is broken down for scripture reading. You can go right to any form of trial/praise and find the scripture right at your fingertips. I have shared this with many people and plan to purchase multiple copies to give out as gifts.

can usually find the subject and the right scriptures to meditate on for answers

It took a long time to secure this book and is well worth the wait, time and expense!

Perfect for my needs. It was a replacement for one I gave away.
