## Customer Reviews

have already used some of the drinks

Several good ideas

Its a good book

Perfect

There are so many good recipes and ideas. Wish there was a carb and calorie listing with the recipes

There's plenty of recipes. I suggest if you want to make a smoothie in the morning, find one the night before. It takes a lot of time.

Simple smoothies... not too imaginative.

We all know that we need to eat healthy. This is the map to show you how to do it.
