I love this book. It's been a huge help to me and my recovery from addiction. There are quotes that start every devotional thought that are very inspirational points of view from not just Christian thoughts. The devotionals have so much wisdom and insight that one needs to recover from their addiction. Take time to soak these in through times of prayer with you Higher Power and know that there is hope for you. The end of the devotionals have a perfect summary of what you just read. It's been extremely helpful for me to write these affirmations down on a 3x5 card to remember what inspired me about the devotional. This book is a must have for anyone in recovery and contains hope for a better life and renewed sense of self image and lots of encouragement that you are not alone

in this struggle.

Great meditation book for addicts and nonaddicts alike. I have been reading it every morning. Some of the messages are very profound and thought provoking.

My first copy of this book is showing signs of being read almost daily for the past five years. I wanted another copy on hand for when the first copy started falling apart from being used so much.

A must have book for anyone who wants to find some amazing and helpful wisdom that can be applied to life each day for a better, more rewarding and more fulfilling life.

Every Man need to meditate of God the father..

This was a gift and it was praised very highly by the recipient.

For nephew.

Just what I needed. I like the new covers. Thr old one as a bit to artsy.
