Synopsis

Guyana, French Guiana & Suriname 1:850,000 Travel Map, waterproof, GPS-compatible

REISE This indexed map is waterproof and tear-resistant, particularly suitable for tropical climate of this destination, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. It shows the three countries at sufficiently high scale 1:850,000 to be of practical assistance for independent travellers. Contours and altitude colouring with spot heights indicate the region's topography. National parks and other protected areas, as well as Amerindian Reserves and disputed border areas are highlighted. Road network indicates paved and unpaved roads with distances (in km) and includes selected local tracks. Local airfields are marked. The map also shows internal administrative boundaries with names of the provinces/districts. Symbols indicate various places of interest, including locations with tourist accommodation, etc. Latitude and longitude lines are drawn at 1° intervals, place name index is added.
