Roosevelt Dime 1946-1964 Collector's Folder (Warman's Collector Coin Folders)

Synopsis

Named for President Franklin D. Roosevelt, the Roosevelt dime is also symbolic of the early efforts of March of Dimes. With this top-quality coin folder you'll not only have a stunning showcase for your dimes, but you'll also have the history behind the naming of the coin and its ties to the March of Dimes. Larger than the average coin folder, this folder features two panels, with 46 die-cut dime openings, more than any other folder. The perfect gift for anyone with an interest in Roosevelt dimes minted between 1946 and 1964.

ISBN-10: 1440213283

ISBN-13: 978-1440213281

Product Dimensions: 7 x 0.2 x 9.5 inches

Shipping Weight: 4 ounces

Average Customer Review: 4.0 out of 5 stars 6 customer reviews

Best Sellers Rank: #2,118,026 in Books (See Top 100 in Books) #97 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#)

Customer Reviews

Great addition to my collection.

I like the Warman Collector's Folders for their quality design. The coins are easy to insert, and the cardboard is firm. These Collector's Folders work great.

i have no issues with this album. it has a good look and feel to it, and it holds all my silver roosies in place just fine. there's also a quick history of the series printed inside. now, if it were that simple i would have given this product a full five stars. and if you're only buying this one album, i would still highly recommend it. but...if you're picky (like i am), and you want to build a full collection with matching coin albums, i feel as though i have to recommend staying away from the warman's brand. the 1938-67 jefferson nickels album is completely missing a slot for the 1939S. for me, that's a deal-breaker for the whole collection. if this can happen in one album, what's stopping this from

happening in others? if a company that makes collectors albums can't even get all the correct coin slots included in their albums, then i have to seriously question the overall quality of their products.

perfect. Thank you

I bought this folder because the Whitman folders received several complains about being difficult to get coins in. Unfortunately, this folder isn't that much different. I've had to press really hard with cotton gloves- I mean, REALLY hard- just to get the dimes in, and then spend a while on each dime trying to straighten it up once it's in the folder. Not only that, but just 1 hour after receiving the folder, I realized that one of the folder panes was only loosely glued on to the main folder, thus resulting in the folder coming apart. Do yourself a favor and spend a few bucks more on a better folder. This one isn't worth the trouble, unfortunately.

These books have been the standard way for kids and adults to collect and preserve their coins for many years. I have quite a few of them.
