MARY POPE OSBORNE is the author of the *New York Times* number one bestselling Magic Tree House series as well as co-author of the Magic Tree House Fact Tracker series, along with her husband, Will, and her sister Natalie Pope Boyce.

I am teaching two little girls all of their subjects at home and have found these books both educational but enjoyable for them to read as they progress. Thank you very much.

My ten-year-old son really loves his book series. He started reading it the day I gave it to him. Wonderful series for children.

\$10 for Kindle edition for a book that my son can read in an evening. Grossly overpriced. I wish I had paid better attention to the price. I'll be skipping the \$10 titles in the future.

Loved it!!!!!!!!!!!!!! I liked the character Oik as he was so kind. It tells you so much about how to drive a dog sled. I liked the ending, I liked it all.

as always, magic tree house books are amazing. this one did not disappoint.

good product good shipping

Daughter loves it.

Great series
