Mozart 21 Of His Most Popular Pieces: For The Piano Including Original Piano Works And Transcription

Synopsis

Some of Mozart's most popular works are contained in this volume, including the ""Fantasia in D Minor,"" the ""Sonata in C Major"" (first movement) and the ""Turkish March"" from the Sonata in A Major. Other selections include intermediate-level transcriptions from operas and orchestral works. Arranged in the order of difficulty, each piece is prefaced by a short description. A biographical sketch of the composer is also provided.

Customer Reviews

The Alfred Masterworks Editions are my favorite piano music books. I've been playing the piano for about 20 years, and these are the best series of books I've used. They have very good, clear notations, the arrangements are really well presented and put together, the fingering recommendations are the best I've seen (with the little numbers by the notes), and the biographical information and performance recommendations are a nice touch. I only wish they had more books in the series. This Mozart book is a good starter for someone who hasn't played Mozart before, and is looking to get better acquainted with his music.

Love it, although I wish the second and third movements of songs were also included :)

A good book for the advanced beginner/lower intermediate player. The editing is clear, and the discussion of how to play the pieces is quite helpful.

Christmas gift and was much enjoyed. Thanks for getting here in time!!

Not a real copy Do not buy this product! they are not real... not real Alfred copys. the notes are fuzzy and not lined straight! This makes it really hard to play. the cover is cheap thin paper.

Admittedly I am a Mozart fanatic. My husband is a solid intermediate, and I am a solid beginner, and we both love this music. The pieces are drawn from sonatas, rondos, minuets, and 3 operatic pieces (2 from Don Giovanni and 1 from Marriage of Figaro). We know the music well. If one listens to the original pieces first, they are easier to play. Mozart does a remarkable job with a few simple notes and chords.
