# Manners Made Easy: A Workbook For Student, Parent, And Teacher

## Synopsis

This workbook/teacher's guide will enable parents and teachers to effectively teach the timeless principles of good manners. Students will gain self-confidence and better interpersonal skills, as well as respect and consideration for others. Some topics included are: proper introductions, telephone manners, table manners, writing thank-you notes, and more. A Scripture-based learning activity is incorporated at the end of each chapter, so students understand the deeper reasons behind learning and practicing good manners. All student pages are easily reproducible, and the answers are included in the teacher's lesson pages.

## Customer Reviews

June Hines Moore is the author of several etiquette books, and is a consultant trained in business and social etiquette. She has twenty years of experience in hosting workshops and seminars for thousands of individuals and corporations. June lives with her husband, Homer, in Little Rock, AR.

Haven't really delved in yet, but flipping through it looks really good. Planning to set it aside until mine are just a little older. Currently 4 and 6. Looks like maybe better suited for next year or the following.

This book makes it easier to prepare my lesson plans and to make learning Good Manners Fun for everyone participating. DT

This was a fun comprehensive manners book geared for school aged children. It included quizzes and suggested activities to reinforce learning.

I used this last summer as a supplement to help teach my Sunday School class.

I use this book for my sons boys book club and the suggestions in it really encourages the boys in positive discussions and to compete in using the manners that they learned about.

I read the other reviews before buying this book. I will echo what they say in that this is a great resource for teaching manners in a variety of circumstances. My only other comment would be it is directed towards a child of about age 8 and up. While it can be manipulated and worked a bit to be for a younger age, it is my opinion that it is better suited towards an older child.

I am an instructor, our academy purchased this workbook for our students, after teaching a few lessons from this book we have seen much improvement in our students. This is an excellent book! Thank you! :-)

This book is great for young people. Easy to read, fun exercises that helps in remembering proper etiquette and manners, and appropriate pictures to reinforce what is being taught.
