Whether it be John Allen - â€”The Wickedest Man in New York City,â€” • pimping off young girls in his Manhattan Lower East Side brothel/dance hall, George Leonidas Leslie, â€”The King of the Bank Robbers,â€” • knocking off a New York City bank, or Fredericka â€”Marmâ€” Mandelbaum, all 250-pounds of her, fencing stolen good from her Clinton Street grocery store, making money in a life of crime was a fait accompli; that is, unless you get caught, which happens all too often. Some of these criminals paid back society by doing severe prison time, others were whacked by other criminals, and still others got away scot-free, never to answer to anyone for their wicked crimes. Crime Pays: Scoundrels and Their Crooked Schemes will take you on a raucous ride that slithers across the underbelly of American society, where every crook and criminal has their own unique gimmick to fill their greedy pockets with other peopleâ€™s hard-earned cash. Customer Reviews

I love the way Joe Bruno writes about mobsters, conmen and swindlers. The reason why I enjoy his books is because of the way he seems to ferret out facts about his subject that no one else seems to do. I grew up in New York City and while I was aware of some of the characters he writes about I never knew their darkest secrets and Bruno through a great deal of research he shines his spotlight or in his case his word processor on little known but interesting facts about all of the subjects he writes about. I have yet to read a Joe Bruno book that wasn't well written and enjoyable. Excellent job Joe Bruno. The Starlight Club (Starlight Club Series Book 1)

This book describes in detail, the lives and illegal activities of some of crimes worst people. New York City certainly was a dangerous place in the early and middle 1900's.
