Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

A good section of tunes well arranged. "Alfie", "As Time Goes By", and "The Way You Look Tonight" are my favorites. There are some tunes that appear in other volumes of this series, like "Days of Wine and Roses" and "You'd Be So Nice To Come Home To", but to the arrangers credit, they are arranged differently which is kind of unexpected and very cool.

Beautiful arrangements.....my new go to album

Nice thoughtful voicings, and arrangements, with the caveat that I have not played through them all, but so far am impressed. As an addendum, I, as an arranger and composer for Film an visual Media, am annoyed when an arranger(s) is/are not given credit--Hal Leonard should go out of their way to credit this person or persons.
