Judith E. Brown is a nutrition researcher, writer and speaker who provides consultation services to the food and pharmaceutical industries, and government health programs. As a Professor Emeritus of the Division of Epidemiology and the Department of Obstetrics and Gynecology, University of Minnesota, she successfully obtained and completed large, competitively funded research grants related to nutrition and health. Her areas of expertise include scientific advising on new product development, advising on product evaluation studies, public speaking to professional groups, consumer-oriented publications on topics specific to health and nutrition, and expert opinion papers on safety and efficacy of nutrients, nutraceuticals, and fortified products. Dr. Brown has more than 30 years of instructional experience in the field of nutrition. She has also been involved with writing for several years and has written more than one hundred research articles for publications. She is the author of NUTRITION THROUGH THE LIFE CYCLE, THIRD EDITION (Wadsworth, 2008). An

avid researcher and an exceptional writer and teacher, Judy Brown is one of the most influential and respected authors in the field.

Informative book that is an easy-read.
