Synopsis

The #1 New Release on for 30 days!The carnal catch--that exquisite, sweet moment when a woman is seized with passion in a romantic encounter and committed to fulfilling her sexual desire without turning back.Jen Dawson is an emergency room physician in San Francisco who prides herself on an orderly and driven life.Tommy Vietti is an experienced detective who solves homicides quicker than any other cop.Amanda Hawthorne is a powerful, young District Attorney who is defined by loyalty and an unshakeable sense of justice.Their lives change forever when Jen's colleague, Dr. Lane Wallace, becomes a murder suspect in the death of his paramour, an ultrasound technologist. Jen fiercely defends Dr. Wallace, but her lover, Tommy, discounts her opinions as misplaced loyalty. While working a shift, Jen unwittingly becomes a witness in the investigation when she provides medical care to one of the suspects, defending her actions against criticism from Tommy and Amanda.Tommy is determined to investigate beyond the obvious, even if it means unearthing cold, hard truths about crimes of passion in his own circle of friends from the North Beach neighborhood. A romantic man with a large Italian family, Tommy follows his intuition and creatively attacks the case, forcing the killer to make a mistake.Amanda clashes with Jen when their worlds collide during the investigation, but they soon discover they have more in common than just butting heads. As their relationship takes on a heightened intensity, Jen's world is thrown deeper into turmoil, forcing Jen and Amanda to make a decision that will change the trajectory of all their lives.

Another page turner for Venice. A "who done it" until the end. Believeable new characters to meet, special detail to surroundings, real places where this murder could take place. I hope the TO BE CONTINUED includes trial details of the murder and conviction of the killer(s)?????

I have not sat and read a book for years. I was fortunate to get a heads up on this book and I sat down one night to start reading and couldn't wait to get back to it the next night. I couldn't put it down until I finished the entire book. I can't wait for the next sequel!! GREAT book, HIGHLY recommended!

Another awesome read! Love the detail without going overboard. Many surprises throughout the book. Can't wait for the next one! Murder, mystery, and romance. What more do we need?

Another awesome book by Alexi Venice. I love getting to know the characters as well as the great mystery of the plot!

Novel was interesting and fast-paced. The characters were real and the situation not out of the question I enjoyed thoroughly reading the book and hated for it to end.

I loved the direction Alexi took in this book. I really enjoyed getting to know the new characters in this book and can't wait for the next book.
