Queens Of The Stone Age: No One Knows

Synopsis

This updated edition of the first ever book about Queens Of The Stone Age takes in nine years of chaos. Since the first edition appeared in 2005, Josh Homme's band has undergone multiple line-up changes, toured the world and released two acclaimed albums. They have taken on a new version of Homme's old band Kyuss in court and helped to spawn multiple projects such as Them Crooked Vultures and a supergroup featuring Homme, Foo Fighters singer Dave Grohl and Led Zeppelin bassist John Paul Jones. Along the way there have been death, near-death and physical confrontations of all kinds, with Homme's near-fatal asphyxiation during a knee operation in 2010 almost ending the band. Want to know about the pitfalls of being in a rock band? Read it all here...

Book Information

Paperback: 256 pages

Publisher: Omnibus Press (March 9, 2015)

Customer Reviews

Joel McIver is the author of more than 20 books on music including biographies of Rage Against The Machine, Metallica, Slayer and Machine Head. He contributes to several British and American music and film magazines and often appears on radio and TV. More info: www.joelmciver.co.uk.

I haven't got to get too deep in to it but I love the in-depth history. QOTSA is my fav.

Received the book exactly as expected in good condition.
