This is a beautiful sticker book with lots of photo-realistic stickers. There are a lot of stickers! This is really a deal. There are a lot of duplicate stickers in the book, but this isn't a problem for us as it actually helps alleviate some fights when they *both* want the sheep sticker. Look, there's 2! Surprisingly, the stickers don't stick very well to paper. They'll stick on, but it's very easy to get them off. Sometimes they'll peel off on their own. Again, this is both a good thing and a bad thing. I

would like them to be stickier to be useful for making cards (right now they peel right off the cards), but it is nice that they are easy to remove from walls and windows. Still, I've bought 3 of these books, and when we run out, I'll buy more.

What has the world come to when stickers aren't sticky anymore? Also, who wants to put stickers inside the book that they came in?

A very cost effective way to get a nice lot of stickers! Colorful, glossy, nice quality. I bought a few different books from this "Eyelike" series. My kids can use them for arts and crafts/school projects. They are nice that they are in booklet size so they can just slide onto the bookshelf with the rest of the books rather than needing a special basket/box just for stickers. It says reusable but I can't attest to that aspect, we don't try to reuse them.

Love these stickers. Highly recommend.

my son loves it. literally, these are everywhere on the floor. He started listening to the vegetable and fruit names, that are in between the animal stickers. Overall love them. He quickly runs out of the stickers. Wished, they had more pages. The pages are like, big sheets folded. So, you can remove the pin and give to kids, 1 sheet at a time. Also, you can hang the sticker sheets separately on the wall, and make a game.

Beautiful colors.

Real pictures of objects and animals. Many different sizes. My 22 month old loves these. We also have the Easter sticker book and made some cute cards.

My 2 yrs old daughter likea these sticker so much. We named it as a "GOOD JOB STICKER " . It's a gift for her every good job.
