Fade To Gray (Angst Book 2)

Synopsis

In Association with The Edge Books www.TheEdge-Books.com I raised my hand to her cheek, and easing her from the stool, I backed us to the couch. We fell down atop the dust covers, our legs twisted together. I was senseless, out of my head where she was concerned, unable to explain why she got to me so much. I only knew that something in me had changed, something no other girl had ever touched, and nothing but time with her could solve it.-----The son of a wealthy businessman and politician, Arsen Bain appears to have it made. But behind closed doors, his father's long-standing extramarital affair and his mother's depression have combined to create an atmosphere fueling self-destructive rage. He'll strike out at anyone who gets in his way. Who cares if his behavior causes embarrassment to his father's name? When fellow high school graduate, beautiful Caia Maceo, rescues him from yet another moment of public humiliation, now in her debt, he sees a chance to get back at his dad and, perhaps, sweet talk the girl he's had his eye on for over a year. If he plays his cards right, their unplanned weekend together will end his way with her in his bed and his troubles at home miles away. But what was meant to be one of his flings is different from the start. Here's someone who understands him, a girl with her own set of issues and a no-nonsense attitude toward the angry rich kid he's become. Opening his heart has huge consequences to their future, though. A future, that one final life-changing event might destroy unless he takes the hand of a loving God, offering him a way out. Book 2 of 2 in the ANGST series by best-selling author, SUZANNE D. WILLIAMS.

Fade to Gray! What a moving and email alerts ebook of romance between tow young kids who had just completed High Scool together. That I felt it needed to be rated with five stars and for mature young people and not for any one not ore mature. I received this ebookfor free and in return, here is my honest review. Super job.
