Salvation Is From The Jews

Synopsis

The book traces the role of Judaism and the Jewish people in God's plan for the salvation of mankind, from Abraham through the Second Coming, as revealed by the Catholic faith and by a thoughtful examination of history. It will give Christians a deeper understanding of Judaism, both as a religion in itself and as a central component of Christian salvation. To Jews it reveals the incomprehensible importance, nobility and glory that Judaism most truly has. It examines the unique and central role Judaism plays in the destiny of the world. It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity, but in the most anti-Christian of forces. Areas addressed include: the Messianic prophecies in Jewish scripture; the anti-Christian roots of Nazi anti-Semitism; the links between Nazism and Arab anti-Semitism; the theological insights of major Jewish converts; and the role of the Jews in the Second Coming.

Roy Schoeman grew up studying Judaism under the most prominent Rabbis in American Judaism. After receiving a B.S. from M.I.T. and an M.B.A. from Harvard Business School, he taught at Harvard. His conversion to Catholicism led to a dramatic refocus of his activities.

Excellent reading. Educational, and again, it proves the links between Judaism and Christianity, showing that Christianity is a continuation and fulfilment of traditional Judaism. Christianity, particularly Catholicism, is the new Judaism. Well worth reading, because not many Christians are aware of our elder brothers and sisters Jewish traditions. Most of us don't understand how Judaism

fits in with Christianity. Highly recommended reading for all open minded people.

We should all be concerned about our salvation. This book bring the influence of our Jewish heritage to the forefront.

Very interesting and excellent book! Schoeman knows his stuff!

Well written history lesson.

Wonderful reading. Book arrived promptly & in great shape, as advertised. Thank you.

Wonderful book (used, in very good condition) which gave me a totally new insight on Salvation History and the Old Testament, as well as a clarification of the sources of the Holocaust. Great read!

Very informative

Amazing information. Roy Schoeman is well-studied. His contribution to how it figures into Christian Tradition is valuable information. Anyone who gets this book will truly find it informative. I don't think I've ever high-lighted so much of a book.
