I love this Bible. Bought one for my 25 year old son, then later for my 17 year old stepson. My son's is sitting on a shelf, that's okay, he'll pick it up one day! My step son carries his to church and youth group.

I have not seen this particular Bible myself but it was purchased for a young man that I wrote to through a group called Romans Chapter 8. He seemed to like it very much and used it for some Bible Study courses he took while there.

My Favorite bible. The world seems to react based of the scriptures I read for that day.

This Bible is Awesome! Very Reader friendly! Too bad it's no longer being published!

This bible is so easy to read and I love how it connects scripture with modern day events. The Life

points inside really help tie everything together.

I would highly recommend this Bible to any young teen or young adult. It is a great reference for me as a teacher.

This Bible is Unique, it has REAL letters written from people "IN the Bible" which makes the scripture reference "Something you can Relate to Today." The remarks are funny and to the point. It is the best Bible because YOU WANT TO READ it! The Study Helps on topics written as "EX" brings Jesus' Character on almost every page an AMAZING way for you to learn about a characteristic of Christ; for example the word: EXAULT HIM, Xtraordinary, or-XTREME-it is unbelievable-when you see these words it makes you want to read the article! I love this Bible so much I have bought and Given Away over 15 of the Jesus Bible to family and friends. On 18 Apr 2011, I bought & gave one to my sick brother in law-I told him that he was a unique person and he would like this unique Bible! THERE HAS NEVER BEEN a Bible WRITTEN like this. Bless your Children, grandchildren, family and friends with a copy-I do! NannaLuvs

While this book is focused at teens, it is a fantastic Bible also for people who are for the first time digging into the Word. I have given this Bible to younger 20's new believers and find it meets them where they are at. The NLT is a very approachable reading translation for people to get started with. The ESV remains by far my favorite translation, but the NLT is more "new user" friendly. The little additions of commentary and notes through this Bible are handy and helpful when people are just learning things for the first time.
