Finding Purpose In Your Pain

Synopsis

Whether permanent or recurrent, a history of pains in your life, be it physical, emotional, psychological or spiritual is not a life sentence. Here is hope, healing, and a chance to recover the self lost, misfortune, handicap or disapproval going on in your life, even since childhood. Drawing on his extensive work Counselling and Recovering Adult and Children, and on his own experience as a survivor of emotional trauma relating to health, career, family and life purpose, psychotherapist Moses Omojola demonstrates that through understanding your divine life journey, uniqueness and assignment, his specialized counseling can help lead you through grieving your lost fortune, to become your exciting prosperous personality, and integrate the healing aspects of spiritual, physical, and emotional recovery into your present life.
