Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I am definitely a beginner at piano. I am 17 and have been playing for 6 months (though when I started I could already read music) and I can play many of the songs in this book. There is definitely quite a range of difficulty even though the whole book is "easy". I just love this book! It has all the favorite songs from Lion King, Beauty and the Beast, Pocahontas, The Little Mermaid, and Aladdin and then some. I have the other popular Easy Disney Piano book called "The Disney Collection" which has some of the good classic songs, but this book in my opinion has much better songs. If

you are a beginner and want to learn fun songs or are a better player and want to be able to learn all your favorite songs quickly, get this book! In case you wanted to know (I did, read the other reviews and couldn't find it), you can find out all the songs by going to Hal Leonard's website, searching for this book, and then clicking "View Songlist." It gives you a full list of everything in the book! Some of the most popular ones are: A Whole New World, Be our Guest, Beauty and the Beast, Go the Distance, Can you Feel the Love Tonight, Circle of Life, Hakuna Matata, Part of your World, Under the Sea, Colors of the Wing, You'll be in My Heart, and You've got a Friend in Me. This is just a small selection though, there are many more! (:

I'm a beginner piano player, I know how to read music well, able to read bass and treble clef, not able to read chords well, able to use both hands while playing and know basic finger positions. When buying books online I never know what quite to expect because there's beginner level and then there's "I have no idea what I'm doing -beginner level." With my experience this book has been great for me to practice on easy mode to songs I am familiar with and some that I'm not. The collections are nice and some songs I've even forgotten about are in there. There are 280 pages and 38 songs. Here's a list:

Be Our Guest - Beauty and the Beast
Beauty and the Beast - Beauty and the Beast
Belle - Beauty and the Beast
Can You Feel the Love Tonight - Lion King
Circle of Life - Lion King
Colors of the Wind - Pocahontas
Friend Like Me - Aladdin
Go The Distance - Hercules
Good Help The Outcasts - Hunchback of Notre Dame

If I Never Knew You - Pocahontas
The Incredits - The Incredibles
Just Around the Riverbend - Pocahontas
Kiss the Girl - The Little Mermaid
Les Poissons - The Little Mermaid
Look Through My Eyes - Brother Bear

BY "beginner" they mean someone who has been playing for a minimum of 2 years.

Good book! Not for a beginner, but my daughter is able to play some of the pieces. She gets very excited when she can recognize what she is playing. I even play the song on YouTube so that she is familiar with the tune. Good book, but my daughter isn't to that level yet. She keeps working at it, and loves the book. Book is well made.

Great book, but agree with other reviewers, this is NOT for beginners. My 6 YO who has been in piano lessons for 2 years cannot play most of these songs, but I am able to play some though it has been many years since I've taken lessons. I would call this more of an intermediate level. That being said, songs are nice and my daughter like to hear me play them.

Great book for budding piano students.

This book is amazing. It's been a while since I have played, many many years.. This book is easy enough for me to play, still challenge me on some songs... And has chords on top for easy playing and also for guitar or other instruments! I highly recommend this book! My kids and I love it!

A little too easy for my 12 yrs old after a year of lessons. But its on par for my 8 yrs old with the same amount of time with lessons.
