Moon San Juan, Vieques & Culebra (Moon Handbooks)

Synopsis

This full-color guide includes vibrant photos and easy-to-use maps to help with trip planning. Travel journalist Suzanne Van Atten covers the best of San Juan, Vieques, and Culebra; from the historic charm of Old San Juan to the electric-blue waters of Mosquito Bay. Van Atten also includes creative suggested itineraries for travelers of all kinds, including families, couples looking for a romantic getaway, and sports enthusiasts in search of recreation ideas. With expert advice on exploring the Castillo de San Felipe del Morro, sampling local cuisine at the Luquillo kiosks, and lounging on the uncrowded white sand beaches of Culebra, Moon San Juan, Vieques, & Culebra gives travelers the tools they need to create a more personal and memorable experience.

Average Customer Review: 2.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,110,771 in Books (See Top 100 in Books) #35 in Books > Travel > Caribbean > Puerto Rico #553 in Books > Travel > Caribbean > General #10909 in Books > Travel > United States

Customer Reviews

An experienced editor and travel writer, Suzanne Van Atten has traveled throughout the United States, Mexico, South America, the Caribbean, and Europe. She has snorkeled a shipwreck in Aruba, gone ballroom dancing in Rio de Janeiro, barhopped in Barcelona, slept in a Jesuit monastery on the Amalfi coast, crewed a hot air balloon in New Mexico, gone white-water rafting in Tennessee, and gotten lost too many times to count. Suzanne is currently the arts and travel editor of the Atlanta Journal-Constitution. Amidst all these travels, the one place she always returns to is Puerto Rico, a place she fell in love with when she lived there for two years as a teenager. The rich Spanish culture, postcard-perfect beaches, lush tropical jungle, cobblestone streets, pastel colors, lively music, and the *joie de vivre*

Look closely at the title. It does not include the main island of Puerto Rico, only San Juan, and 2 close islands. The print is very small. I'm 57, wear reading glasses and still had to use a magnifying for parts of the book. I admit that most people do not read a travel guide like a book, but if you do- there is a lot of repetition in the book. One section of the book with say exactly the same thing as the side bar on the same page. Two different parts of the book had information about the ferry from Puerto Rico to Culebra that was different enough to affect my travel plans. Obviously one section had been updated and the other had not. I got this specific book because I was investigating Culebra, but there are only 12 pages. I expect that one of the more popular guide books will have more than that. All an all, a waste of money and time.
