Inclusive Outdoor Recreation For Persons With Disabilities: Protocols And Activities

Synopsis

Inclusive Outdoor Recreation for Persons with Disabilities is intended for students, consumers, and practitioners in Therapeutic Recreation, Outdoor Recreation, and Special Education. Instructors who teach undergraduate and graduate courses can use this text to teach program design principles. Practitioners can use the information to develop programs, services, protocols, and activities to better serve persons with disabilities in their use of the great outdoors.

Customer Reviews

The ideas are so well organized that this will be an invaluable text for anyone who is interested in sharing the great outdoors with friends or family that may have a disability. The innovative solutions for access and participation should generate other creative ideas from readers once they start thinking about overcoming the barriers that exist in public areas.

Experts in the field Donald R. Snyder, Anne Rothschadl, and Marcy Marchello present *Inclusive Outdoor Recreation for Persons with Disabilities: Protocols and Activities*, a guide for outdoor recreation staff, therapeutic recreation specialists, rehabilitation counselors, special education instructors, students, teachers, and anyone else seeking to adapt outdoor recreation programs to serve individuals with a variety of disabilities. Chapters cover general guidelines and protocols, suggestions for tailoring programs to individuals, common disabling conditions to take into account, basic disability etiquette ("Introduce yourself by name to people who are visually impaired and use

their name when speaking directly to them. Let them know when you are ending a conversation or moving away from them.") and much more. An easy-to-use, all-around solid handbook to selecting and hosting activities that build self-esteem and positive expectations.
