Diary Of A Fiery Kitten (Animal Diary Book 29)

Synopsis

Who Am I? I am your constant companion. I am your greatest aide or heaviest burden. I will push you forward or may drag you down. I am completely at your command. You might just as well make me your best Partner. I am easily managed – you must merely be firm with me. Show me exactly how you want something done and after a few lessons I will do it automatically. I am the servant of all Great Trainers. Those who are great, I have made great. I am not a machine, though I work with all the precision of a machine plus the intelligence of a person. You may run me for Good or run me for Evil – it makes no difference to me. Take me, train me, be firm with me, and I will place the world at your feet. Be easy with me and I will destroy you. Who am I? I am the Great Kitten!

Red: This is the longest diary i've ever written. 22,300 words! Hope you like it. Enjoy!

I love litten and I really enjoyed this book and I hope that the author makes more book's like this one.

My son loves reading

Of all the pokemon ash had. Fire types always helped him big time. I have came across a video in youtube saying litten will evolve into a powerful pokemon ever existed. Cool right. Litten is cute by the way. The trainer will b surprised after knowing the true power inside the cute pokemon. Nice book.

I find these Pokemon books great as my kids and I are super fans. However, there are some books better than others even among these lovely Pokemon series. This one is a hot favorite! There is quick adventure, quiet fun and sweet friendship in the story that makes the reading so thoroughly enjoyable. My kids loved it - and I loved it, too!

A story full of fun and adventure, Diary of a Fiery Litten as one more feather in Red Smith's hat. Interesting, gripping and super entertaining, this book is not only for kids but you will enjoy it too. I loved every bit of it and can't resist reading it again and again.

With a title like "diary of a fiery litten", it is not easy to resist reading more. Red has outdone himself. The text is compelling and pictures too sweet. Your kid will love it and you won't be able to resist peeking over his shoulder!

my children adore this book ! however they are a bit disappointed because they wanted to read a diary of a briannae . I was hoping that you would make a book like that then bye!

You are most likely to fall in love with her after reading the book, that is if you arent already. Litten is a smart and lovely character and this book simply makes her more lovable.
