A Guide Book Of United States Paper Money: Complete Source For History, Grading, And Prices (Official Red Book)

Synopsis

Building on the comprehensive scope of the classic Friedberg text, Q. David Bowers has written a definitive history of paper currency of the United States. Every federal note--from the ultra rare Demand Notes of 1861 to the lunch money in your wallet today--is described in detail. Bowers' engaging narrative captures the romance and history of American paper money, and also explores recent developments in the hobby and market. Combining the hobby-standard Friedberg numbering system with retail prices and hundreds of color and black-and-white photos, this book promises to be a standard reference for years to come.

Book Information

Series: Official Red Book

Paperback: 432 pages

Publisher: Whitman Publishing (March 31, 2005)

Language: English

ISBN-10: 0794817866

Customer Reviews

Great book

Great book ty

Great reference book if you collect U.S. Paper Money

Satisfied - Thank you!

Had what I needed in it. GOOD PRICE

great book.

great

Great item. Portable and up to date. Would recommend this book. And, it shows all that I need to collect bills.
