Got this for my "little Steve", he's going to love it. Cute book with great minecraft themed lesson for the kiddos.

GOODNIGHT, WIMPY LITTLE STEVE by M.C. Steve is a children's book of fanfiction in the world of MinecraftÃfÃ Å Ã Å and Diary of a Wimpy KidÃfÃ Å Ã Å. It's bedtime and Wimpy Little Steve needs to build himself a house but zombies, monsters and skeletons are preventing Wimpy Little Steve from accomplishing his goals. With the help of his dog Blocky and the encouragement of his parents, Wimpy Little Steve begins to build the home he has always wanted becoming 'Big Amazing Steve' when it was time for bed. GOODNIGHT WIMPY LITTLE STEVE is a cute story intended for the very young that focuses on believing in one's self, hard work and success. Once Wimpy Little Steve believes in himself, all of his bedtime problems disappear.

May 10, 2017 *Finished Reading* Very good story. Children will flip over the illustrations why? Minecraft characters, galore however Wimpy Little Steve need a bit of help here. How can he overcome his fears? Blocky believe in Steve, does Steve believe in himself? Zombies and Skeleton, Witches, Ender Dragons, have to stop them. Night becomes a nightmare for Wimpy Little Steve and Blocky, run they must, run they do. This has to stop but how? You must read this story to find out how Steve solve his dilemma. Children will definitely enjoy everything this book has to offer. Simple reading and lessons learned. But what I got from reading this story, "Believe in yourself!" Thank you, Darlene Cruz

Little Steve has to find his courage and way now that he has left home. It's okay: to believe in yourself, ask for help and maybe even be a little afraid- but don't let fear stop you. Great message, entertaining and better illustrations than most Minecraft books. Approximately 30 page book for kids maybe ages 5-10. Easy read for my ten y/o who literally took it from my hands when he saw the inviting cover. He stated he gives it 5 stars.

Another hit! My kid can't get enough of Steve and Little Steve is a great bedtime book. My 8 year old daughter loves seeing her favorite game brought to life with fun illustrations and a great story with a lesson mixed in with the fun. She's addicted to everything in the Wimpy Zombie universe.

Goodnight Little Steve is a fun little bedtime story that my 6-year-old and even my 8-year-old enjoyed in the middle of the afternoon! Even though I'm not much of a Minecraft player, the colorful illustrations made it easy to understand and imagine the angular world where Little Steve lives. He is afraid of being out on his own (what kid isn't?), but he ultimately conquers his fears and comes out the hero. We love the MC Steve books. Seriously. Buy one. :)

Really enjoyed these goodnight books for Minecraft! This book is super cute, and my nephew loves these books!! It had just right challenges and the quality is great. The quality and the use of color inside the book made it worth the money.

Adorable bedtime stories that my kids enjoyed reading to each other. My 7 and 9 year old love these books and I got a kick out of the illustrations. It's a super cute book that has been read multiple times.
