ARE YOU READY TO HIRE YOURSELF? WHO hasn't had the inkling or even the outright conviction that we could be more successful, more fulfilled, and more satisfied if we could invest in ourselves? HOW MANY of us have given our time, our knowledge, our energy, and our loyalty to corporate careers, only to discover that our contributions don't guarantee gratitude, upward mobility, or even job security? WHY consider franchising? Franchise investors reap all the rewards of entrepreneurship: self-determination, personal and professional freedom, unlimited potential for profitability without all the risks of going it alone. WHAT'S the difference? In franchising, someone has already dreamed the big dream, figured out how to make it work, marketed it well, and sold it to create a well-defined niche. And now, that person is looking for an investor and partner to help build on that success. HIRE YOURSELF WILL HELP YOU:

- Leverage your expertise and resources to build a bridge out of the corporate world and into entrepreneurship
- Learn how to choose a franchise concept that's the right franchise for you
- Understand how to capitalize your investment and minimize your risks
- Recognize and avoid common mistakes and traps
- Know that franchising is all about working for yourself, but not by yourself

Foreword by Darren Hardy, Publisher & Founding Editor of Success Magazine

Pete Gilfillan is a passionate business leader who is driven to help people achieve their dreams of career independence through franchise ownership. With more than twenty yearsâ™ experience as a corporate executive across multiple industries and a history of small business ownership, Pete brings a wide breadth of experience to his work as a franchise consultant. His unique knowledge of franchising, energetic outlook, and determination to find the right franchise for each candidateâ™s lifestyle and goals set Pete apart in his field. In some ways, Peteâ™s been in franchising all his life. He was raised in an entrepreneurial family where both his father and grandfather owned successful franchise enterprises. As a young man, Pete spent seventeen years working at Ford Motor Company, rapidly advancing through a variety of regional and national positions to reach the role of general managerâ•“ where he guided up to six hundred franchise dealerships generating \$5 billion in revenue. In his executive capacity, Pete was able to gain an in-depth knowledge of the mechanics, strengths, and benefits of franchising from the corporate side of the table. Pete became a franchise owner himself in 2010 when he purchased a multi-state master license to a junk removal franchise. His investment gave him the opportunity to better understand the benefits and challenges of being a franchisee and the importance of choosing the right franchise for oneâ™s strengths, talents, and business objectives. Since 2011, Pete has been working as an independent franchise consultant with FranChoice to help potential franchisees gather information, evaluate opportunities, and make smart selections in franchise ownership. In his role of helping each candidate find his or her optimum investment and lifestyle choice, Pete has found his most fulfilling and rewarding professional calling. Pete is a graduate of the University of Wisconsinâ•“ Eau Claire and resides in Naperville, IL, with his wife and children. In his private life, he enjoys watching his kidsâ™ activities, spending time outdoors, exercising, and avidly pursuing self-improvement through books, audio programs, and seminars.
