The Everything Kids' Money Book: Earn It, Save It, And Watch It Grow! (Everything® Kids)

Synopsis

From saving for a new bike to investing their allowance online, kids get the "cents" they need with this. Kids will also learn: How coins and bills are made. What money can buy--from school supplies to fun and games. How credit cards work. Ways to watch money grow--from savings to stocks. Cool financial technology. And more! Saving money isn't about a piggy bank anymore. Today's kids are investing money, starting their own small businesses, and watching their savings earn interest. This book will teach kids all they need to know about the "green" they earn so they can save or spend it wisely. This edition includes completely new material on online banking, opening a bank account, and saving allowance.

Customer Reviews

I bought this along with a bank for my 9 year old grand daughter. After looking at it I felt it was too wordy and too complicated for a young elementary child to latch onto. I put it away for later.

Both my 8 year old and my 10 year old have enjoyed picking up this book and reading it on their

own. My husband and I, and my mom also have enjoyed perusing through it. It covers everything having to do with money. It's rather fascinating.

The book is very easy to read, and makes sure the child has fun reading and understands fully. Also, it mentions a couple of sites, which the child is most likely to enjoy being on.

Our friend's son loved it.

GAVE AS GIFT SHE LOVED IT

Highly approved by my grandchildren and their parents.

This book is a great tool to teach children about money. Content is easy to understand for readers of any age. The games provide a fun way to give hands on experience.

Every child should be given a copy of this book!
