Garfield At Large: His 1st Book

Synopsis

Like every great lasagna, Garfield was born in the kitchen of an Italian restaurant on a winter's night in 1978, while outside snow fell like grated Parmesan cheese. He weighed five pounds, six ounces at birth--that's big for a kitten!--and right from the start showed a passion for Italian food. The restaurant owner, forced to choose between Garfield and closing his doors for lack of pasta, sold Garfield to a pet store. Garfield thought he was a goner until Jon Arbuckle walked in the door. The rest is history.

Customer Reviews

The very first of all the Garfield titles. I remember what a thrill it was to find out that I would be working for the same company that produces the books which made me laugh since I was 13. It's in this first book that we discover Garfield, the plant eating, food loving (especially lasagna!), mailman terrorizing, furniture destroying, dog hating Red Tabby and his long suffering owner, Jon. Garfield's closest companion, Pooky the teddy bear, also appears, along with Lyman, the roommate and his dumb as a dead catfish dog, Odie. So, grab your Garfield slippers, pull up a chair and dive into some Garfield history! --This text refers to the School & Library Binding edition.

It was so funny and I love it so much

.Ã Â Â^Â Ã Â Â^Â Ã Â Â^Â Ã Â Â^Â Ã Â Â^Â Ã Â Â^Â it was so awesome to you I really like the book.this book was fabulous fantastic and awesome it was I thought it was so good I would like to read 10 more times.I was like this book because it was fantastic terrific and it it was like I was in the actual book came to the door every day when John came home.I would like to get a list I would like to get a lot more books on the Kindle because all of your books I have ever seen this book is not and I think it's pretty good and it is awesome cool and traffic a lot I am really really you really think this book is is Fabius good and famous .I suggest this book is really good to other people so I should just that they should buy it and get it to you it is awesome I really think other people would like it and it's Fun .but they said at the beginning feels like I'm just food he's always getting kicked

You can't go wrong with Garfield... unless your name is John or Odie. lol I read this when it first came out and kept my hubby awake with my snickering in bed. Not snacking, snickering. Fantastic read, buy one for yourself and your friends. Just don't read it in bed unless you are alone.

We love Garfield, but the pages of this book are just falling out with every turn of the page! Adult owned, this is disappointing and unacceptable. I have requested a return/refund. I would prefer a replacement, but we'll see what seller has to say.

At large is right this cat is huge with a big ego and a bigger appetite. But he also very lovable.

Classic.

Met my expectations! I love Garfield! His antics in the beginning through today have changed. I bought it for my grandson. I couldn't wait to read it! Loved it, again

The world would be a better place if we learned a few lessons from a cartoon cat. All Garfield books

are worth having and re-reading again and again for laughs. One of the genuine FUNNY characters that has been created without catering too much to the politically correct brigade. Keep up the great work Mr Davis and thanks for giving us something to laugh at.

It was in great condition
