Such a great series of books! They are great for kids, but adults like them too. Had the whole series many many years ago, so happy to see them on !

Bought this for my son and he loved the series!!! Great reading. Can't wait to get the next series for

him!

Loved this series of books based on christian life and history.

Great series for kids!NOTE: This product was a personal purchase for myself at the normal retail price. I'm reviewing it solely because I want to share my experience with other potential customers. I have received no compensation for my review, nor do I have any relationship with the seller or manufacturer of this product.

What a great series, both the adult & kid versions. The gift that keeps on giving and giving and giving! This is such a great way to encourage reading with your children (or someone else's children), when everyone in the family reads the books, it makes for awesome discussions- we talked of little else. LOVE THEM!

What can I say...my son loves this series. Thought provoking, action packed fiction based on Biblical end times. A wonderful conversation starter for young minds.

These are great books for kids....my son is 11 y/o & has enjoyed reading all the volumes. His only complaint is that some of the characters die off just as he has bonded with them. Overall, great way to encourage conversation regarding the rapture of the Church, Christ's return & are we ready.

This is excellent for kids. I got the first series for my 11 year old granddaughter, who is not much of a reader. She loves the books and is really into reading them. She always is carrying one with her. I read the adult series when they first came out and loved them as well. I think the Left Behind Kid series is a good way to get Bible discussion going with the kids.
