Customer Reviews

This is just the book I've been looking for. Over 500 Awesome Hints & Tips - Mineguides: An Unofficial Minecraft Guide by Terry Mayer is packed full of everything I needed and wanted to know. Great tips to improve my game, cool facts and useful tips. I also really like the complete list of cheat codes and tons of other stuff included. I wish I had this sooner. Great! Get it.

A great book that has tons of details about this game. Good for people who don't know much about this game.

Your complete ID list's name got some mistakes, example like bottle "O" enchanting you write it bottle of enchanting . Another mistake is crafting, you didn't let the readers see the 3x3 crafting grid . But your book really help me a lot!

has lots of useful tips, like a complete list of block ids and cheats. a must get for any minecraft player, new or experienced.
