# Charleston In History

## Synopsis

This unique guidebook, organized in chronological order, is a richly illustrated description of more than 50 sites in and around Charleston, South Carolina, that together reveal the place of the city and region in history. From the Colonial period through the Early Republic, the Civil War, and the turbulent decades of the 20th century, the book details a wide variety of plantations, forts, homes, churches, streetscapes, museums, and historic ships. From the "Charles Towne Settlement" to the modern bustling port, the story is told through places to visit and experience.
