Hometown: Rockville, Maryland Elizabeth Hamby Carlson's award-winning quilts have been featured in several national quilting magazines. This is her second book.

Very nice.

Quilting pattern book,It was just what I wanted and came in perfect condition. Can't wait to get started on one. Thank you

The quilts in this book are breathtakingly beautiful with using only squares. If you're sick of dealing with half-square triangles (I sure am!) you're sure to find something you like in this book. It's not in print anymore, but I bought it used through and was very pleased with the perfect condition (and

price) of the book.

Elizabeth Hamby Carlson's Trip To Ireland takes two classic quilt patterns - Irish Chain and Trip around the World - and combines them for impact and innovation. From Irish Squares to an easy Irish Trip, this is filled with colorful photos and examples of blends.

This book is extremely helpful. Everything is spelled out clearly and simply - right down to pressing instructions (which are extremely important with these quilts).
