First-Generation Americans (American Mosaic: Immigration Today)

Synopsis

Americans who were born in another country are often called first-generation Americans. They have many different ideas about what it means to be an American. Explore the lives of first-generation Americans and the challenges they face, such as learning English, finding a place to live, living in a new city or town, and sometimes facing discrimination.

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

Gr 4-6-This solid series celebrates the diversity of the United States and explores the contributions immigrants have made to the culture and economy. Giving practical reasons for why the study of immigrant issues are important, the authors strive to put a human face on the subject of immigration and help readers think more deeply about the topics. Using clear, simple language, the series condenses complicated issues into easily understandable parts and provides information on relevant subjects, including how to become a U.S. citizen and the rights of undocumented immigrants. The texts are informative, though never intimidating, and full-color, captioned photos enhance the narratives. A valuable series. (c) Copyright 2014.
