Customer Reviews

This has truly been a adventure. I enjoyed all the things that made Camp Dick the place to be. Still I don't think I want my kid to be apart of such a place. Or is that just envy talking. Lol

This book was pretty good, I just hate that it was so many sex scenes. I loved the moral of the story as well as the ending!!!

This was a great book it showed that gay men can bicker and fight but at the end of the day they

can get along with one another and make change
